#### TERMS AND CONDITIONS FOR USE, REPRODUCTION, AND DISTRIBUTION

##### 1. Definitions.

"License" shall mean the terms and conditions for use, reproduction, and distribution as defined by Sections 1 through 9 of this document.

"Licensor" shall mean the copyright owner or entity authorized by the copyright owner that is granting the License.

"Legal Entity" shall mean the union of the acting entity

and all  
other entities that control, are controlled by, or are  
under common  
control with that entity. For the purposes of this  
definition,  
"control" means (i) the power, direct or indirect, to cause  
the  
direction or management of such entity, whether by contract  
or  
otherwise, or (ii) ownership of fifty percent (50%) or more  
of the  
outstanding shares, or (iii) beneficial ownership of such  
entity.

"You" (or "Your") shall mean an individual or Legal Entity  
exercising permissions granted by this License.

"Source" form shall mean the preferred form for making  
modifications,  
including but not limited to software source code,  
documentation  
source, and configuration files.

"Object" form shall mean any form resulting from mechanical  
transformation or translation of a Source form, including  
but  
not limited to compiled object code, generated  
documentation,  
and conversions to other media types.

"Work" shall mean the work of authorship, whether in Source  
or  
Object form, made available under the License, as indicated  
by a  
copyright notice that is included in or attached to the  
work  
(an example is provided in the Appendix below).

"Derivative Works" shall mean any work, whether in Source  
or Object  
form, that is based on (or derived from) the Work and for  
which the  
editorial revisions, annotations, elaborations, or other  
modifications  
represent, as a whole, an original work of authorship. For  
the purposes  
of this License, Derivative Works shall not include works  
that remain  
separable from, or merely link (or bind by name) to the  
interfaces of,  
the Work and Derivative Works thereof.

"Contribution" shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is intentionally submitted to Licensor for inclusion in the Work by the copyright owner or by an individual or Legal Entity authorized to submit on behalf of the copyright owner. For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to the Licensor or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Licensor for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by the copyright owner as "Not a Contribution."

"Contributor" shall mean Licensor and any individual or Legal Entity on behalf of whom a Contribution has been received by Licensor and subsequently incorporated within the Work.

2. Grant of Copyright License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare Derivative Works of, publicly display, publicly perform, sublicense, and distribute the Work and such Derivative Works in Source or Object form.

3. Grant of Patent License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made,

use, offer to sell, sell, import, and otherwise transfer the Work,  
where such license applies only to those patent claims licensable  
by such Contributor that are necessarily infringed by their Contribution(s) alone or by combination of their Contribution(s)  
with the Work to which such Contribution(s) was submitted.  
If You  
institute patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Work  
or a Contribution incorporated within the Work constitutes direct  
or contributory patent infringement, then any patent licenses  
granted to You under this License for that Work shall terminate  
as of the date such litigation is filed.

4. Redistribution. You may reproduce and distribute copies of the  
Work or Derivative Works thereof in any medium, with or without  
modifications, and in Source or Object form, provided that You  
meet the following conditions:

- (a) You must give any other recipients of the Work or Derivative Works a copy of this License; and
- (b) You must cause any modified files to carry prominent notices  
stating that You changed the files; and
- (c) You must retain, in the Source form of any Derivative Works  
that You distribute, all copyright, patent, trademark, and  
attribution notices from the Source form of the Work, excluding those notices that do not pertain to any part  
of the Derivative Works; and
- (d) If the Work includes a "NOTICE" text file as part of its  
distribution, then any Derivative Works that You distribute must  
include a readable copy of the attribution notices contained  
within such NOTICE file, excluding those notices that do not

pertain to any part of the Derivative Works, in at least one of the following places: within a NOTICE text file distributed as part of the Derivative Works; within the Source form or documentation, if provided along with the Derivative Works; or, within a display generated by the Derivative Works, if and wherever such third-party notices normally appear. The contents of the NOTICE file are for informational purposes only and do not modify the License. You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, provided that such additional attribution notices cannot be construed as modifying the License.

You may add Your own copyright statement to Your modifications and may provide additional or different license terms and conditions for use, reproduction, or distribution of Your modifications, or for any such Derivative Works as a whole, provided Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this License.

5. Submission of Contributions. Unless You explicitly state otherwise, any Contribution intentionally submitted for inclusion in the Work by You to the Licensor shall be under the terms and conditions of this License, without any additional terms or conditions. Notwithstanding the above, nothing herein shall supersede or modify the terms of any separate license agreement you may have executed with Licensor regarding such Contributions.

6. Trademarks. This License does not grant permission to use the trade names, trademarks, service marks, or product names of the

Licensor,  
except as required for reasonable and customary use in  
describing the  
origin of the Work and reproducing the content of the  
NOTICE file.

7. Disclaimer of Warranty. Unless required by applicable law  
or  
agreed to in writing, Licensor provides the Work (and each  
Contributor provides its Contributions) on an "AS IS"  
BASIS,  
WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either  
express or  
implied, including, without limitation, any warranties or  
conditions  
of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR  
A  
PARTICULAR PURPOSE. You are solely responsible for  
determining the  
appropriateness of using or redistributing the Work and  
assume any  
risks associated with Your exercise of permissions under  
this License.

8. Limitation of Liability. In no event and under no legal  
theory,  
whether in tort (including negligence), contract, or  
otherwise,  
unless required by applicable law (such as deliberate and  
grossly  
negligent acts) or agreed to in writing, shall any  
Contributor be  
liable to You for damages, including any direct, indirect,  
special,  
incidental, or consequential damages of any character  
arising as a  
result of this License or out of the use or inability to  
use the  
Work (including but not limited to damages for loss of  
goodwill,  
work stoppage, computer failure or malfunction, or any and  
all  
other commercial damages or losses), even if such  
Contributor  
has been advised of the possibility of such damages.

9. Accepting Warranty or Additional Liability. While  
redistributing  
the Work or Derivative Works thereof, You may choose to  
offer,  
and charge a fee for, acceptance of support, warranty,  
indemnity,

or other liability obligations and/or rights consistent with this License. However, in accepting such obligations, You may act only on Your own behalf and on Your sole responsibility, not on behalf of any other Contributor, and only if You agree to indemnify, defend, and hold each Contributor harmless for any liability incurred by, or claims asserted against, such Contributor by reason of your accepting any such warranty or additional liability.

END OF TERMS AND CONDITIONS

APPENDIX: How to apply the Apache License to your work.

To apply the Apache License to your work, attach the following boilerplate notice, with the fields enclosed by brackets "[]" replaced with your own identifying information. (Don't include the brackets!) The text should be enclosed in the appropriate comment syntax for the file format. We also recommend that a file or class name and description of purpose be included on the same "printed page" as the copyright notice for easier identification within third-party archives.
