

Verisure Awarded Great Place to Work® Certification in nine countries

Verisure, the leading provider of professionally monitored security solutions in Europe, is proud to be certified as Great Place to Work® (GPTW) in nine countries for 2024. Great Place to Work®, the global authority on workplace culture, award certification based on firsthand employee experience.

Verisure has been certified as a Great Place to Work® in nine countries for 2024: *Sweden, Argentina, Peru, Brazil, Finland, Belgium, The Netherlands, Chile and Italy*. This is a great recognition, particularly for Sweden and Finland who applied and have been certified for the first time and for Brazil, who have been awarded the Great Place to Work® certification for their sixth consecutive year. This prestigious award is important to Verisure as it is based on the experience of current colleagues and the trust and belief they have in the company.

“We are proud to receive the 2024 Great Place to Work® Certification across nine countries, in addition to other recognitions across our footprint. Great Place to Work® is a global recognition, reflecting our high employee sustainable engagement scores at Verisure, as well as our ongoing commitment to creating an even more welcoming and inclusive workplace. Because our people are the heart of our business, and we believe that the success of Verisure is directly connected to the experience and engagement of our colleagues.” said Marta Panzano, Chief Human Resources, Communications and ESG Officer.

These recent Great Place to Work® certifications are testament to the continuous efforts of the company in creating supportive and high-performance working environments, promoting flexible working, building a strong culture of feedback, and encouraging people to upskill where possible. These also help Verisure foster pride among colleagues and attract best-in-class talent which allows the company to provide its customers with the best possible service.
