Verisure credit rating upgraded by Moody's and S&P following Initial Public Offering

Verisure plc ("**Verisure**", the "**Company**") is pleased to announce that its Corporate Family Rating ("**CFR**") has been upgraded by both Moody's and S&P Global, following its successful Initial Public Offering on Nasdaq Stockholm on 8 October 2025.

Moody's has upgraded Verisure's rating three notches from B1 positive to Ba1 with a stable outlook. S&P Global has also upgraded its rating three notches from B+ positive to BB+ with a stable outlook. Both agencies now rate Verisure just below an investment grade rating, reflecting Verisure's proven characteristics as a high-quality growth compounder, strong cash generation potential, and large runway of future growth ahead.

"We're pleased with this clear recognition from both Moody's and S&P Global of our significant progress over the past three years in reducing leverage and the confidence they have in our business model, financial profile and long-term strategy", commented Colin Smith, Group CFO.
